Bloom & Wolf
Company Overview

Luxury silk-flower platform offering exquisitely crafted bouquets and sustainable rentals for home, office, or gifting

Company Overview

- Founded in 2022 and headquartered in Amsterdam, Netherlands, Bloom & Wolf is a premium artificial-flower company serving both B2B and B2C clients with elegant, sustainable décor solutions
- The brand name draws inspiration from the Dutch Golden Age, combining “Bloom” (Bloemgracht) and “Wolf” (Wolvenstraat), a nod to painter Rachel Ruysch and her floral artistry.
- In 2024, the company collaborated with Build in Amsterdam to redefine its brand identity and ecommerce experience, transforming its product positioning from simple realistic imitations to “floral design objects”, embracing craftsmanship with the tagline “Crafted not grown”
- **Recent Acquisition (2024)**: Mock Flower, Amsterdam-based silk flower provider, expanding Bloom & Wolf’s product range and customer base while reinforcing its sustainable luxury positioning
