Flo Health
Company Overview

Leading women's health platform providing AI-powered cycle, fertility, and wellness insights

Company Overview

- Founded in 2015 by the Gurski siblings and headquartered in London (originally founded in Belarus), Flo Health is a leading femtech app focused on women's and reproductive health.
- Provides tools for personalized cycle & ovulation tracking, symptom monitoring (70+ symptoms), pregnancy support, menopause/perimenopause content, expert-doctor insights, and a private community for discussion.
- Expansion into perimenopause & menopause, increased R&D and expert content, global expansion in emerging markets, and scaling subscription revenues
- **Recent Expansion (2025):** Adopted **Databricks AI infrastructure** to enhance predictive analytics, cycle accuracy, and personalized health recommendations
