Muppy
Company Overview

Next-generation real estate platform connecting buyers, sellers, and agents through data-driven property insights

Company Overview

- Founded in 2021 and headquartered in Spain, Muppy is a flex-living real-estate platform specializing in medium- and long-term rentals and investment properties
- Offers all-inclusive, serviced apartments and studios for professionals, freelancers and students with flexible stays and full amenities built around community living
- Also provides a real-estate investment arm, enables individuals to invest from €25,000 in residential assets with guaranteed rents and full property management
- **Recent Expansion (2025):** Leveraging its technology-driven model to scale asset management, integrate smart-living features (automated access, data-driven operations) and transform under-used buildings for the flex-living market.

KPIs

- **+800** Managed Units
- **7 years** Average contract length
- **$145M** Value of managed wallet
