Rapyd
Company Overview

Tech-first delivering real-time international payments and treasury services for businesses

Company Overview

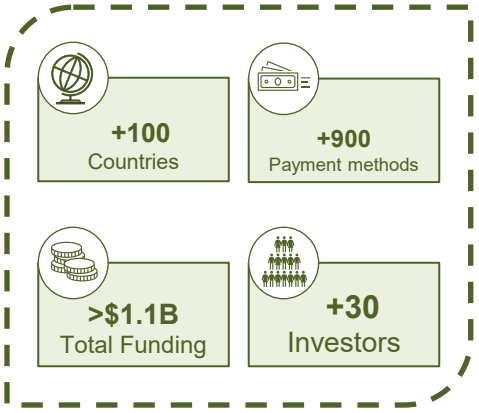

- Founded in 2016 and headquartered in the UK, Rapyd is a global fintech-as-a-service platform enabling businesses to embed payments, payouts, wallets, and financial services
- Provides a unified API connecting companies to local payment methods, cards, bank transfers, and e-wallets across 100+ countries
- Enables use cases across e-commerce, marketplaces, fintechs, remittances, and on-demand platforms, supporting both pay-ins and payouts
- Strong focus on localization, allowing global companies to operate like locals in each market
- Operates with licenses and regulated entities across key jurisdictions, supporting compliant global scale

Key Financials

Notable Funding Rounds:

- **Seed Round** (2016): Small early capital to build platform
- **Early-Stage Round** (2018): Expansion of core payments infrastructure
- **Series B** (2019): Global payments network scaling capital
- **Series C** (2020): Accelerated product expansion and licensing
- **Series D** (2021): Major growth round before unicorn surge.
- **Series E** (Aug 2021): $300M
- **Series F** (Mar 2025): $500M
- **Debt Round** (Mar 2025): Additional debt to finalize PayU deal
