Revolut
Company Overview

Tech-driven digital bank delivering multi-currency accounts, card payments, and wealth tools with real-time control and transparency

Company Overview

- Founded in 2015 and headquartered in London, Revolut has grown into a global financial superapp across personal and business segments.
- Initially focused on FX and travel cards, Revolut now offers multi-currency accounts, payments, wealth management, and subscription-based premium plans.
- The company leverages AI, automation, and biometric tech to power innovations like Revolut Pay, branded ATMs, and enterprise tools for retail and hospitality.
- **Recent Acquisition (Jun 2025):** Acquired Banco Cetelem Argentina from BNP Paribas, marking its entry into Latin America with a local banking license.
