The Cirqle
Company Overview

Global provider of influencer marketing and creator campaign management solutions

Company Overview

- Founded in 2015 and headquartered in Amsterdam, Netherlands, The Cirqle is a data-driven influencer marketing platform transforming creators into revenue-driving partners, originated as an influencer agency and evolved into a SaaS platform
- Leverages proprietary AI to facilitate performance-focused influencer campaigns, prioritizing real business outcomes such as ROAS, CPA, and sales, rather than vanity metrics
- Platform features include AI-driven creator recommendations, streamlined contracting, rate negotiation, license management, full campaign execution (shipping, payments, reporting), and seamless paid social integrations with performance tracking
- **Recent Platform Launch (February 2025):** Announced "The Cirqle V2", a fully reimagined, performance-first version of its platform designed to enhance influencer campaign activation, scaling, and conversion tracking via more robust workflows and analytics
