Trialing
Company Overview

Doctor-led clinical trial finder delivering up-to-date trial data and direct site contacts

Company Overview

- Founded in 2021 and headquartered in Barcelona, Spain, Trialing is a digital health platform helping oncologists discover and refer patients to clinical trials quickly
- Provides an AI-powered search engine for oncology trials with filters for biomarkers, treatment type, eligibility criteria, and hospital site
- Enables direct patient referral to trial sites, aiming for responses within 24 hours
- Free for medical professionals and hospitals; monetizes through partnerships with pharmaceutical companies and CROs
